

**LEAGUE OF CALIFORNIA CITIES
2005 RESOLUTION SUMMARY**

#	Source	Review Committee	Subject	Summary	Lead Dept.	City Policy	Proposed Council Action
1	City of Tustin	Administrative Services Policy Committee	Publication of Home Addresses and Telephone Numbers of Elected and Appointed Officials	That the League of California Cities supports legislation to extend or provide protection to elected and appointed officials from the publication of their home addresses or telephone numbers in newspapers or similar periodicals.	OCM	The Public Safety Officials Home Protection Act of 2002 added provisions to Government Code § 6254.21 that prohibit any person from knowingly posting the home address or telephone number of any elected or appointed official, or the official's residing spouse or child, on the Internet knowing that the person is an elected or appointed official and intending to cause imminent great bodily harm to that individual.	Support
2	Personnel and Employee Relations Department	Employee Relations Policy Committee	Public Sector Mentoring Program	That the League of California Cities supports a statewide Mentoring Program that can be accessed via the League's website and that the League support all local government succession planning and mentoring efforts, encourage each League Department to actively discuss and encourage such efforts, encourage each public agency to establish succession plans and mentoring programs, and to use the Personnel and Employee Relations Department Mentoring Program as a model.	HR	General Plan, Legislative Management Sub-Element Goal 7.3D "Maintain a quality workforce, consistent with laws, the charter, and adopted policies in order to assure that City services are provided in an effective manner."	Support

4	East Bay Division	Environmental Quality, and Housing, Community and Economic Development Policy Committees	Voluntary Statewide Residential Green Building Guidelines	That the League of California Cities supports the voluntary inclusion of green building design and strategies in residential public and private development projects; and that the League endorses voluntary, statewide Residential Green Building Guidelines as developed by GREAT and CIWMB; and that the League encourages cities to adopt the statewide residential guidelines as a reference guide and explore incentives to encourage their use by private developers of residential construction projects.	CDD	<p>Policy 1.1.9: “New residential construction shall be encouraged to use green building design and construction techniques as outlined in the Alameda County Waste Management Authority’s Home Remodeling: Green Building Guidelines.”</p> <p>Policy 3.2B.1 "Reduce generation of solid waste by providing source reduction programs and promoting source reduction behavior."</p> <p>Policy 3.2B.2 "Maximize diversion of solid waste from disposal by use of demand management techniques, providing and promoting recycling programs, and encouraging private sector recycling."</p> <p>Policy 3.2B.4 "Increase demand for recycled materials by advocating local, state and federal legislation that will increase use of recycled content products."</p>	Support

5	Gavin Newsom, Mayor, San Francisco	Environmental Quality; Housing, Community and Economic Development; and Transportation, Communication and Public Works Policy Committees	Urban Environmental Accords Adopted by United Nations World Environmental Day	That the League of California Cities calls to action all California mayors to sign the Urban Environmental Accords; and that by signing the Urban Environmental Accords we commit to encourage our city governments to adopt these Accords and commit our best efforts to achieve the Actions stated within; and that by implementing the Urban Environmental Accords, we aim to realize the right to a clean, healthy, and safe environment for all members of our society.	DPW	This is broad and touches on many issues. While many environmental goals are consistent with City policy, the high costs of implementation are in conflict with the City's financial management goals that call for minimizing costs to the City and the community.	No Position
6	City of La Mesa	Public Safety Policy Committee	Sexual Predators	That the League of California Cities supports SB 1051 for purposes of maximizing the protection of our communities' youth against potential attacks by sexual predators.	DPS	California State Law: prohibits juvenile sex offenders and adult parolees from residing within ¼ mile of a school facility.	Support
7	San Diego County Division	Public Safety and Revenue and Taxation Policy Committees	Follow-up to Proposition 172 re: San Diego County	That the League of California Cities endorses and supports the San Diego County Division's efforts to amend the distribution formula to reflect an equitable distribution of Proposition 172 public safety revenues.	DPS	No current policy	No Position
